## BALLET ACADEMY OF DANCE

### 2019 – 2020 SEASON

#### CLASS DESCRIPTIONS

---

##### BALLET

Dancers are introduced to the French terminology of Ballet. It is the foundation of all the dance forms teaching balance, flexibility, spatial awareness, music/rhythm, coordination, and expression.

##### JAZZ

Learn Jazz terminology and steps including isolations, turns, jumps and combinations to modern music, enhancing class & performance skills.

##### TAP

Music from every generation, around the globe will help us to work on musicality, tone, shading, counterpoint & of course, style.

##### GYMNASTICS / ACRO

Acro is a combination of gymnastics and dance. Students will develop strength, flexibility, muscle control, balance and the unique art of graceful acrobatic skills.

##### Hip Hop

Dancers learn to move as a team, learn to hear beats & rhythms developing isolations and movement both fluid and staccato.

##### Brazilian Jiu Jitsu

BJJ is a martial art & combat fight sport focused on ground grappling, based on the principal that a smaller and weaker person can defend themselves with techniques using joint manipulations & choke holds. We offer this art to build strength and confidence in our students.
